

# CHEF – training for immigrants

Restaurant and catering industry, chef  
Do you like cooking and are not afraid of physical work?  
A chef prepares tasty, nutritious and healthy food.  
A chef can work in a la carte restaurants, diners,  
fast food restaurants, schools, hospitals, cafés, or pizzerias.  
A chef can also be an entrepreneur.

## At the beginning of the course, you will receive:

- Finnish language classes
- digital skills training
- support with starting vocational studies.

There are many jobs available in the restaurant and catering industry.

## Training location:

Savo Vocational College, Hehkukatu 1 (Savilahti, Kuopio)

## Start date of course:

Monday 4 September 2023. The learning period can vary, but it is usually about 3 years.

**Language requirements:** A2 Teaching is carried out in Finnish.
